

## Italian Greyhound Rescue Charity

**Registered Charity Number 1104157**

We would like to introduce ourselves and make you aware of our existence. We are a rescue Charity dedicated to rehoming Italian Greyhounds and crossed Italian Greyhounds. If you should have one brought into your care we would appreciate you contacting our

Rescue Team **on 0845 600 3116** or  
via email at **[info@italiangreyhoundrescuecharity.org.uk](mailto:info@italiangreyhoundrescuecharity.org.uk)**

As you may be aware Italian Greyhounds are 'Toy dogs' in effect miniature Greyhounds. Due to their fine bone structure and sometimes sensitive personality they do not make good pets for households with young and boisterous children or large active dogs.

We would be grateful if you would include our Charity on your list of breed contacts. Our rescue team has rehomed this specialist breed for many years and has a list of suitable homes waiting for the breed.

Our website address is **[www.italiangreyhoundrescuecharity.org.uk](http://www.italiangreyhoundrescuecharity.org.uk)**

Below you will see some of the variations in the Italian Greyhound.
